

# THE 64TH ANNUAL REDMOND DERBY DAYS KIDS PARADE

A COMMUNITY TRADITION

2004 IS THE  
YEAR OF THE  
SALMON!

## EVERY CHILD IS A WINNER

Decorate your "wheels" and come on down for a great time in the Derby Days Kids Parade. It is *"The Year of the Salmon"* so be your fishy best. Parents can join in the fun and parade with their kids and even dress up and add to the festivities. Every child who participates and wears a helmet will receive \$2.00 courtesy of *Clark, Raymond and Company* and *Kempf and Company*, a water bottle from *Evergreen Healthcare*, a Salmon ID card and map to where to see the fish in the fall courtesy of *Water Tenders* as well as other goodies. After the Kids Parade, check your "wheels" and strollers for \$1.00 at the *Troop #423 Bike Check* on the Community Center Campus and enjoy all the activities for the rest of the day. Be sure and visit **Fin**, the giant salmon.

## EVENT GUIDELINES

Please report to the staging area in the Redmond Medical Center parking lot at 9:15 a.m. You can access the Park and Ride by turning right on 83rd from 164th. Just remember, you will not be able to get out again until both parades are over, so enjoy the fun. There is no judging. All pets must be on a leash, and small children under 7 years of age must be accompanied by an adult. Only those wearing a bicycle helmet will be allowed to participate. The *Redmond Fire Department* and **Sparky** will be selling great bicycle helmets for \$6.00 each on site. They will fit them to your child so this is a great opportunity to acquire or replace a helmet. Come early so you will have time before the parade starts. The Parade Route is six tenths of a mile, so we won't have a Tiny Tots route. It will go right out of Redmond Medical Center heading south on to 161st, left on Redmond Way heading east, left on 166th heading north and the dollars will be given away in front of the Old Redmond School House on 80th Street. The Grand Parade will follow the same route.

## OUR WATERSHED LEGACY

Every autumn our streams and rivers are busy with **migrating salmon**. Bear Creek, the Sammamish River and other streams flow through the heart of Redmond. "*The Year of the Salmon*" spawns a series of events to welcome the salmon back to our watershed neighborhoods. Plan your calendars! Bring the family! Participate in creating the "*Our Watershed Legacy*", a healthy waterway for people and salmon.

### Salmonpeople

Peter Donaldson's spell binding theatrical performance about the interdependence of salmon and people. Not to be missed. Seating is first come first served. For more information go to [www.peterdonaldson.net](http://www.peterdonaldson.net) Brought to you by Water Tenders and the City of Redmond.
